## SCOTTISH FIDDLERS OF CALIFORNIA (SFC) BOARD SEEKS NEW TREASURER

This is to announce that Rob Godfrey has decided to stand down as SFC Treasurer/CFO and we are seeking a replacement on the board. Rob has worked tirelessly for and continues to contribute enormously to our fiddle community.

SFC is the non-profit parent of San Francisco Scottish Fiddlers (SFSF), Scottish Fiddlers of Los Angeles (SFLA), Valley of the Moon Scottish Fiddling School (VOM), and Sierra Fiddle Camp (AFSFC).

Together, under the non-profit steerage of the SFC Board, each of these organizations have done a wonderful job of promoting and sharing our love of music, dance, song, language and community far and wide.

This is a volunteer, unpaid position. A full job description is available, but in essence the SFC treasurer, with the assistance of both a bookkeeper and CPA accountant, is responsible for working with the financial officers of the aforementioned entities, with an emphasis on awareness and understanding of the bigger financial picture and experience in reporting as a 501 (c) 3 Nonprofit Corporation to the IRS.

We invite interested parties to respond by March 20 to Bob Klamt at [fishnfiddle@sonic.net](mailto:fishnfiddle@sonic.net).

A mighty thank you Rob Godfrey for all his fine work. We are happy to report the organization is in great financial shape and are excited to embark on the next phase of SFC as we continue to empower, enable and encourage people to play music and gather!

All the best,  
Alasdair Fraser, President, SFC Board
